

(SREC)

Al-Rajhi for Engineering Consultations

COMPANY PROFILE

**It is not the beauty of a
building you should look at;
it's the construction of the
foundation that will stand
the test of time.**

David Allan Coe.

Who we are:

Al-Rajhi for Engineering Consultations

(S R E C)

A leading firm in Saudi Arabia in the fields of engineering, supervision, project management, architecture and interior design.

SREC supports its clients on projects with high strategic stakes such as mega housing projects and infrastructure projects.

KKMC. Museum

Our Vision:

COMMITMENT RESPONSIBILITY MOTIVATION

After **10 years** of experience, our list of references is impressive and clients who trust us are numerous. Our consultants are in all respects competent and we share an excellent relationship.

By choosing **SREC** you choose success, trusting us with managing your projects effectively.

The time is precious and we will do everything possible to exceed your expectations. By taking stock of your investments and commitments, we will become your partner in the success of your project.

AREA OF EXPERTISE

Potent with its diversity and complementarity of its profiles and professions

SREC offers the following services >

Engineering services:

SREC designs, optimizes, and carries out detailed studies of all types of structures and buildings in the following areas:

- Building (Housing, Tertiary, Hospitals, Schools...)
- Industry (Hall, factories...)
- Civil Engineering (Wastewater Treatment Plants, Reservoirs...)
- Hydraulic structures (hydro-electric power stations...)

Architecture and Interior Design services:

- Our architects and designers offer you designs respecting the environment, your needs and your budget
- Our ambition is to propose a quality contextual architecture in which it is (Noble to live). We pay particular attention to the process and the expectations of our clients

Supervision and Project Management services:

We achieve all of your site works, as part of a **supervision mission**, or in the case of a project management mission we accomplish all your project objectives. We ensure that your work is carried out correctly and that your deadlines and budgets are respected. Our know-how in **our businesses** and our rigor of the organization are the bases to respect the deadlines.
